

PROPOSAL FOR PARTNERSHIP

Dear Sir/Ma,

It is our profound joy to identify with the numerous accomplishments of your great institution, for its reputation far exceeds its geographical boundaries. In this regard, we most humbly will like to request a partnership between Excellence Education Travels and Tours (EETT) and your institution. It is our belief that a joint synergy will be of utmost benefit to us.

ABOUT EETT

Excellence Education Travels and Tours (EETT) is a leading organization in the aspect of educational consultancy, counseling, international examinations such as GMAT, SAT, GRE, IELTS, TOEFL, PTE, ACT, CGFNS, Cambridge International Advanced Level amongst others.

We are also a registered body versed in the processing of admission as well as visa procurement for study in international universities and colleges of choice. In EETT, we unveil the secrets to studying abroad to our students.

In our organization, we have professionals who are experts in counseling and monitoring students with an aim to optimize their opportunities. Here at Excellence Education Travels and Tours (EETT), we debunk the previously held conception that only children of the rich can aspire to study abroad, by opening and broadening their knowledge to potentials around them through professionals.

Our core value is widely explanatory and understandable by all. Our language is “We” and not “I” and we also stretched ourselves not our ethics.

Our vision is to create milestones in knowledge and skills enhancement and to empower higher education aspirants in their quest for excellence in their chosen careers.

EMPHASIS ON EXCELLENCE

At EETT, we continually strive to be the most preferred provider of admission processing, international examinations provider, visa services, professional trainings and development services. We cannot rest on our oars, nothing but attaining and delivering the maximum level of quality services to our clients is acceptable to us.

In this regard, Excellence Educational Travels and Tours (EETT) plans to continue on its path of leadership through the addition of new courses to its products portfolio and an increase in its market penetration by enhanced geographical spread.

In other to achieve these growth plans, we intend to increase the number of full-time employees and also embark on series of radio and television jingles in addition to engaging other promotional channels to sensitize the public on what we do.

OUR SCORE CARD

Our achievements have been quite remarkable for an organization that is still in its infancy. With our help, several students are studying in over 20 countries of the world. Some are writing different international examinations, while others are in the registration queue waiting for various international admissions.

In partnering with us, your laudable institution stands to achieve a lot for instance; we will refer students to you and make it a high choice for our students among others because we also value your high standard for excellence.

Looking forward for a good partnership with your institution.
